## ⑨ Review all details and submit them

The screenshot shows the 'Make a Submission: Review' page on the ISOTOBAT 2025 website. The page has a dark blue header with the site name and a 'Back to Submissions' link. Below the header, there's a progress bar with five steps: 'Details' (checked), 'Upload Files' (checked), 'Contributors' (checked), 'For the Editors' (checked), and 'Review' (active). The main content area is titled 'Review and Submit' and contains instructions for reviewing the submission. To the right, there's a 'Details' section with an 'Edit' button. The details include the title 'VFA and N-NH<sub>3</sub> Rumen Production of Rice Straw IR Varieties Yield of Organic and Inorganic Fertilization In Vitro', keywords 'Ammonia, Fertilizer, Organic, Rice-Straw, VFA', and an abstract 'The purpose of this research is to examine the different between IR varieties of rice straw produced on rice field that use nitratic and inorganic fertilizers to the'.

## ⑩ The submission has been completed

The screenshot shows the 'Submission complete' page on the ISOTOBAT 2025 website. The page has a dark blue header with the site name and a 'Back to Submissions' link. The main content area is titled 'Submission complete' and contains a message: 'The journal has been notified of your submission, and you've been emailed a confirmation for your records. Once the editor has reviewed the submission, they will contact you.' Below this, there's a section 'For now, you can:' with three links: 'Review this submission', 'Create a new submission', and 'Return to your dashboard'.
